Let's Get Social!

- We will be meeting at 6pm in the Mosaic Grill in the Hyatt Regency Vancouver (about 10 minute walk from the convention center)
- This will be an informal social gathering of around 20 people, including friends from SPDX and other projects
- Because this is an ad-hoc gathering rather than a formal event dinner it will be “pay for your own”
- Our goal is to build deeper friendships between all parties working on open source compliance!
