## Specification Work Team

- Summarize last meeting's discussion on overhauling the Training section
- Approach: Start with most general scope and try to narrow without becoming too prescriptive
- Influenced by ISO 9001:2015 - decades of experience certifying Quality Management Systems
- Training (Section 3) is broken into two sections:
  - **Competence**
  - **Awareness**

# Specification Work Team

## Competence

The organization shall:

- a) Identify the roles and the corresponding responsibilities of those roles that affects the performance and effectiveness of the FOSS compliance program;
- b) Determine the necessary competence of person(s) fulfilling each role
- c) Ensure that these persons are competent on the basis of appropriate education, training, or experience;
- d) Where applicable, take actions to acquire the necessary competence
- e) Retain appropriate documented information as evidence of competence

# Specification Work Team

## Awareness

The organization shall ensure that persons doing work are aware of:

- a) the FOSS policy;
- b) relevant FOSS objectives;
- c) their contribution to the effectiveness of the FOSS compliance program
- d) the implications of not conforming with the FOSS compliance program requirements;
