OPENCHAIN

June 20, 2016

Agenda

- Roll call

- Specification - *(Mark Gisi)*

- Curriculum- *(Shane Coughlan)*

Specification

- Review Public Comments received.
  - Public comments is the last step prior to releasing spec

- Specification FAQ draft provided for comments
  - Seeking feedback on current draft of spec FAQ

Curriculum

- The first draft of the OpenChain Curriculum slides are ready for comments, refinement and improvement. Views are welcome on the call but we are equally encouraging everyone to edit offline to ensure no time zone is excluded.

- Everyone is invited to review the first draft of the OpenChain Curriculum slides here:
  https://1drv.ms/p/s!AsXJVqby5kpnhh_DyKoOkwZUnBVC

- The source material slides are here:
  https://onedrive.live.com/redir?resid=674AE6F2A656C9C5!709&authkey=!APTnTvWbiPQLJsc&ithint=folder%2cdoc

- We will seek to refine the OpenChain slides over the coming month and be ready for final review on our July call.
