OPENCHAIN

December 19, 2016

Agenda

- Roll call

- Curriculum *(Shane Coughlan)*

- Specification *(Mark Gisi)*

Curriculum

- **Release 2 of the Curriculum slides went live on 14th December at the Linux Foundation Legal Summit.**

- **Release 2 contains three areas of improvement:**
    - **Slide notes for trainers throughout the material to make delivery easier.**
    - **Answers to the "Check Your Understanding" questions at the end of each chapter to assist with the creation of internal exams.**
    - **Some slides have been adjusted to make things clearer and simpler.**

- **Release 2 can be downloaded from here: https://www.openchainproject.org/curriculum**

Curriculum

- **We will begin work on Release 3 in January 2017 with a targeted release date of end Q1.**

- **Release 3 will potentially add a new chapter with developer guidelines (Chapter 8, already in place)**

- **Release 3 will also rework Chapter 6, 'End to End Compliance Management' to contain an SME as well as enterprise compliance process example**

Specification

- **Review recent updates to the specification 1.1 (beta)**

- **Begin Contributions Section Overhaul**
